

# Cartridges for Kids Year-Around Recycling Fundraiser

Through **Cartridges for Kids (CFK)**, MESF sponsors a year-around recycling program. Our children learn the benefit of recycling to keep our environment cleaner, while earning money to purchase supplemental items for their classroom. During 2006-2007, MESF recycling efforts earned \$1765 from this very worthy program.

CFK recycles inkjet, laser, fax and copier cartridges (no toner bottles or ribbon cartridges, please), cell phones, laptops, palm pilots, iPods (including power cords and accessories), and **NEW THIS YEAR:** digital cameras, video games and video game consoles. Ask your friends, neighbors, relatives and coworkers to save for our school, too. Please keep the cartridges in their original boxes as the school won't get credit for damaged cartridges. A donation box is located on a bookshelf in front of the school office.

For more information on the Cartridges for Kids recycling program, please contact Cassie Rogers at [cassie.n.rogers@lmco.com](mailto:cassie.n.rogers@lmco.com). To learn what specific cartridges are accepted and/or the amount of money that Murdock receives for each item, please visit: [www.cartridgesforkids.com](http://www.cartridgesforkids.com).

In addition, you may enroll your employer as a business sponsor of MESF at [www.cartridgesforkids.com](http://www.cartridgesforkids.com) or by calling 1-800-420-0235. A Program Guide and pre-paid FedEx labels directly linked to the school/organization they are supporting will be provided to each sponsoring business, and MESF will reap the benefit!

For questions concerning this exciting program, please contact Cassie Rogers at 770-578-6547.

**Together we can help the planet and raise funds for our school!**
