

## WHO WE ARE

---

Murdock Elementary School sits in the heart of East Cobb in Marietta, Georgia and has an excellent reputation and stellar faculty.

In early 2004, a group of parents gathered to discuss County and State budget cuts in education and their impact on Murdock. The group suggested forming a foundation to offer Murdock parents and the local community ways to contribute toward enhancing curriculum and addressing capital needs of the school.

The suggestion was met with overwhelming support by parents, teachers, and school staff, and, soon after, the Murdock Elementary School Foundation, Inc., (MESF) was formed.

The MESF is a not-for-profit 501(c)(3) corporation. A twelve person board of directors and large group of parent, teacher, and community volunteers manage the business of the Foundation.

## MISSION STATEMENT

Our mission is to provide resources that will enhance the learning environment and educational opportunities of the students at Murdock Elementary School.

2006-2007

# HELP YOUR COMMUNITY: SUPPORT MURDOCK ELEMENTARY SCHOOL

Now's your chance! Show the nearly 1,000 students and their families at Murdock Elementary School that your business cares.

The school has recently formed the Murdock Elementary School Foundation, Inc. (MESF) to enhance learning and educational opportunities at the school. Your business can be one of the Corporate Sponsors of the organization.

Shrinking tax revenues, budget cuts and a shift in state funds to schools in under-served areas are eating into budgets at schools like Murdock. The MESF will raise funds to help make up for this by supporting:

- Technology upgrades - new computers, copier, sound field systems, laptops, etc.
- Expanded curriculum and instructional materials
- New teaching positions, such as foreign language teachers
- Teacher training and support, workshops and teacher grants, educational materials....
